REMARKS

With regard to the application title, Applicant notes the amended title "ENERGY METER SYSTEM AND METHOD FOR CALIBRATION" was originally included on the application transmittal letter which accompanied the application as filed. Applicant has also used the same title on all correspondence with the Office. However, Applicant notes that the Patent Office records appear to reflect a different title, which also appears on the fee transmittal letter submitted herewith. Therefore, Applicants ask the title be amended/corrected as shown above. Applicant has also labeled Figure 1 as requested by the Examiner in the Notice of Allowance. Please apply any other charges or credits to Deposit Account No. 06-1050, referencing Attorney docket no. 14603-028US1.

Respectfully submitted,
